Subject: Granville Solvents Site  
Expected Schedule for Submission of EE/CA and Modeling Report

Dear Mr. Ahmed:

The Technical Committee of the Granville Solvents Site PRP Group met during the week of June 29, 1998 to discuss final revisions to the Engineering Evaluation/Cost Analysis for the Treatment of Impacted Soil (EE/CA) and the Groundwater Flow and Contaminant Fate and Transport Model Report (Model Report). M&E is making final editorial changes to the document and expects to submit the revised EE/CA and the Model Report on behalf of the group to the U.S. EPA in late July or early August.
